

\$2,000 Pharmacy Mini-Grant

APPLICATION GUIDE

California independent pharmacies currently serving Medi-Cal patients:
Follow these steps to earn a \$2,000 grant for your pharmacy!

☐ **Apply for the Grant**

Complete the [Pharmacists CARE Application](#) to enroll

☐ **Complete Required Training Course**

Two pharmacists – the designated representative and back-up representative – complete the [Medication Abortion Care at the Pharmacy](#) (1 hour ACPE-accredited, online, on-demand)

☐ **Submit Pharmacy Agreement Form**

Choose either to submit the [Danco Agreement](#) or [GenBioPro Agreement](#)

☐ **Set up Your Ordering Account**

Once you are approved, create ordering accounts:

- [Cencora](#) (for Danco - Mifeprex® 200 mg)
- [R&S Northeast](#) (for GenBioPro - generic mifepristone 200 mg)

☐ **Order your Medication**

Order mifepristone 200 mg and misoprostol 200 mcg tablets.

Submit your invoice to us as proof of having the medication in stock.

☐ **Prepare Your Pharmacy**

Review the [Implementation Toolkit](#) to get ready to dispense.

☐ **Submit your W-9**

Complete and submit the [Federal W-9 Form](#) for the current year to receive payment.

Receive your \$2,000 grant!

FAQs

Can multi-location pharmacies apply?

Yes, each location applies as a separate site, and each site will need to meet all requirements listed above.

How to complete the W-9 (legal entity name vs. DBA)?

Line 1 - Enter the legal business name that matches the IRS/tax records. **Line 2** - Enter the pharmacy's DBA/FBN, if different from the legal business name. **Lines 5 & 6** - Enter the pharmacy's physical or mailing address. **Part I** - Enter the business EIN. **Part II** - Sign and date.
